

The Department for Child Protection  
Kinship Care Program Learning and Development

## Caring for Tweens and Teens (9-18 years)

**The Department for Child Protection (DCP) recognises the challenges of providing care for adolescents who have experienced a difficult start to life.**

DCP is committed to working in partnership with you to make sure you have the information and support you need to be successful in your caregiving role during a time of adolescent growth and development.

This is a learning and development module will cover:

- typical developmental milestones during adolescence
- the impact of puberty, social needs and identity formation on the experience of adolescents
- how we can support adolescents who have experienced abuse and neglect
- therapeutic models of care and responding to challenging behavior.

.....

The session will run for approximately 4 hours including a short break. Catering is provided.

We are looking forward to spending some time with you and helping you navigate your kinship care journey.
