Kinship Care Program Learning and Development

Finding Your Feet as a Kinship Carer

The Department for Child Protection (DCP) is committed to working in partnership with you to make sure you have the information and support you need to be successful in your caring role.

This is a learning and development module will help you:

- reflect on how life has changed for you since becoming a carer
- know your personal signs of grief and learn some useful strategies that can help with managing change
- explore your support networks so that you can seek help when you need to
- reflect on the important contribution that you make in the lives of the children and young people that you care for.

.....

This session will run for approximately 3 hours including a short break. Catering is provided.

We are looking forward to spending some time with you and helping you navigate your kinship care journey.
