Kinship Care Program Learning and Development

## Working Together with DCP: Your voice, your say!

***When you become a kinship carer there are a lot of new things to learn and think about.***

DCP has developed a learning and development module that will explain:

- your role and responsibilities as a kinship carer within DCP
- the support you can expect from the care team
- carer assessment, approval and review processes
- your role in making decisions about the health and wellbeing of the child in your care
- agencies and organisations dedicated to advocacy and support and what to do when you need help
- other significant information you need to know as a kinship carer

Register your attendance via Eventbrite [www.eventbrite.com.au](http://www.eventbrite.com.au)

or via QR code.

At this session, you will gain the information you need to better understand your role as a kinship carer within a complex child protection system

You will have access to resources that will assist you to become a strong advocate for the child in your care

You will meet other kinship carers in your community to start building your support network
